Les Thornton W. Steve Keirn (The ref counted Keirn's shoulders down, for the three count, as Keirn tried to beat Thornton with a Figure Four Leg Lock.)

Mr. Wrestling 2 W. Ivan Koloff (Bounty Match : The finale of the bout occured, when Koloff had Wrestling 2, in a compromising position, to remove Wrestling 2's Mask, and did. Koloff was so excited over the mask of Wrestling 2, he did not realize that Wrestling 2, had a second mask underneath, as he pulled off the first. With Koloff's back turned, showing the mask to the fans, Wrestling 2 then suprised Koloff from behind, and gave him a Razzle- Dazzle Knee Lift Treatment, and pinned him for the three count victory.)

Mark Lewin & Abdullah The Butcher W. Stan Hansen & Kevin Sullivan (Hansen and Sullivan entered the ring area with base ball bats, Lewin and Abdullah did not want to enter the ring, and stood on the ringside floor, as long as Hansen and Sullivan were carrying Base Ball Bats. As the bout finally started, Hansen and Sullivan wrestled Lewin and Abdullah, minus The base ball bats. Sullivan took a tremendous beating, from Lewin and Abdullah. In the process of the battle, Sullivan was cut bloody on his forehead. While the ref was busy with Hansen and Abdullah, Lewin used a foreign object on Sullivan; Lewin went for the pin, and the ref then turned around and saw Lewin on Sullivan, and he tolled the three count. Making Lewin and Abdullah the victors. There was alot of wild action, after the bout, as well. During this encounter, Lewin and Abdullah's Manager, The Great Mephisto, was present, and causing trouble as usual.)

Tony Atlas W. Baron Von Raschke (Texas Death Match : Falls Don't count, loser has to be unable to continue.

1ST - Von Raschke pinned Atlas after a couple of over The Knee Back Breakers.

2ND - Atlas pinned Von Raschke with a Cradle Roll.

3RD - Atlas pinned Von Raschke with a Flying Big Splash.

4TH - Atlas Pinned Von Raschke after a Flying Head Butt off the turnbuckles.

5TH - Von Raschke pinned Atlas with The Brain Claw. Atla s' forehead was cut Bloody.

6TH - Atlas pinned Von Raschke with an Inside Cradle.

7TH - Atlas rammed Von Raschke's head, into the ring post. Von Raschke lost by C.O.R.. Von Raschke was unable to get to his feet and re-enter to join Atlas. Von Raschke was unable to continue. Atlas was then declared the winner. After a while, Von Raschke came to, and fought and beat up Atlas. Von Raschke then left for the dressing room, leaving Atlas out like a light. It took a long time for Atlas to recover, and leave the ring area.)

The Assassins #1 & #2 NO CONTEST Dusty Rhodes & Ole Anderson (Cage Match- Two special Ref's; Ivan Koloff & Gene Anderson : Rhodes was cut Bloody, in this war with The Assassins. In the process, Rhodes struck refs; Ivan Koloff and Gene Anderson. Ole then turned on partner Rhodes, and began beating on Dusty, with help from Brother Gene Anderson. Ref Koloff was present lending his support, as well as the Assassins. Rhodes was a Bloody mess.

(Continued)

Other wrestlers came out of the dressing room area, and tried to enter the cage, into the fracas; including Lars Anderson, who did go through the cage door, to try to stop his brothers Ole and Gene, from beating Dusty. Ole and Gene turned on their brother, Lars, and beat him up, as well; with Koloff being present, as well as The Assassins. Ole and Gene declared themselves the winners, along with Koloff, while The Assassins, just stood there and watched. No official winners were declared. This bout could have been called a Double Disqualification; also because of Ole turning on Dusty. But from what this writer (Paul Abbinante) could see, a fitting description, as well as a D.DQ., is a No Contest decision. This bout was a real out of control Donnybrook, from start to finish.)

Harley Race W. Tommy Rich (Special Ref., Lou Thesz: Thesz threw Race to the mat. Due to the fact, that Race was getting out of hand, and would not listen to Ref. Thesz, and tried to shove him around. Rich tried unsuccessfully to pin Race, with the Flying Vertical Body Block. Race was unsuccessful, with his diving head butt, from the turnbuckles. Both wrestlers used many great moves, throughout this encounter. The end came when Rich tried to pin Race, with a Rolling Cradle, and Race then reversed the Cradle Roll, to score a victory, with Special Ref. Thesz, tolling the three count win. Ref. Thesz, as he counted to three, did not notice that Race secured the pin, by what was believed to be a Grabbing of Rich's trunks, by Race. In this bout it appeared Race could have been bloody.)

UPCOMING TO THE OMNI: 8/1/80

Gene & Ole Anderson VS. Andre The Giant & Dusty Rhodes
Mark Lewin VS. Kevin Sullivan (Boston Street Fight Match)
Abdullah The Butcher VS. Stan Hansen
PLUS OTHER BOUTS

NOTES ON THE OMNI CARD:

On July 20, 1980, Atlanta, Georgia, Promoter Paul Jones, who is the Dean of Promoters, put on a fantastic card, with many outstanding bouts, at The Omni in Atlanta, Georgia. Seeing Ole Anderson with brother Gene Anderson, beat on Dusty Rhodes!! Then seeing Gene and Ole Anderson beat up their brother Lars Anderson; all taking place inside a "Cage"!! N.W.A. World H.C. Harley Race, scored a great win over Blond Sensation, "Wildfire" Tommy Rich, in a hard fought battle. Seeing the N.W.A. World Jr. H.C., Les Thornton, in a tremendous victory over Florida Mat Great, Steve Keirn. The tough team of "Maniac" Mark Lewin and "Wildman" Abdullah The Butcher, took the toll of the team of Stan Hansen and Kevin Sullivan. Another exciting event was between "Mr. U.S.A." Tony Atlas, and Georgia H.C. Baron Von Raschke, who dueled in a memorable "Texas Death Match"!! The ever popular Mr. Wrestling 2, had an outstanding "Bounty Match" against "The Russian Bear" Ivan Koloff, that will be talked about for a long time. The other bouts on the card were very good also. Atlanta Promoter, Paul Jones, has to be commended for putting together, once again, an excellent card. All the cards seen on this trip were under the guidance of the National Wrestling Alliance.

SOME CONVENTION HAPPENINGS:

During the days of the convention a few wrestling personalities showed up at the festivities, and spoke to the fans; " Wildfire" Tommy Rich, Mike Davis, Lars Anderson, and Wrestler / Manager The Great Mephisto. All four of these men spoke to an audience of advid listeners, at four different intervals. This Writer (Paul Abbinante), was present when Tommy Rich, Mike Davis, and The Great Mephisto, spoke at different times; and the audience participated by asking them questions. This writer, left the room just as Lars Anderson was getting ready to speak. I was sorry that I missed Lars discussion period, due to an unforeseeable situation.

The banquet awards luncheon was very good, with TV Commentator Freddie Miller, as master of ceremonies. Freddie did a great job of keeping everything moving along, just fine. Attending this gala event, were such wrestling personalities as Lars Anderson, The Great Mephisto, Kid Collins, Eddie Mansfield, Baron Von Raschke, Mike Davis, Tommy Rich, Mr. Wrestling 2, and Promoter Paul Jones. All in all, this was a memorable event; long to be remembered by everyone who attended.

EXTRA SPECIAL CLOSING NOTES:

At this point, we, the editors, of S.T.H. (Paul Abbinante & Ken Levitt), Who attended the 1980 W.F.I.A. Convention, would like to thank, a great Promoter, Fred Ward, who with his outstanding staff, put together a great card; at the Municipal Auditorium, in Columbus, Georgia, on July 16,1980. Mr. Ward is a giant in the field of promoting; he will, as always, continue to bring to the good people of Georgia, only the best talent, in the world of pro wrestling.

Also, a great deal of thanks go to top correspondents; Richie Mershon, Paul Frank, Dick Lankford and a host of others; made this trip worthwhile and memorable.

Next year's W.F.I.A. Convention, will be held in Houston, Texas. Be sure to be there, in 1981 !!

BY
KENNETH LEVITT

7/21/80 WEST PALM BEACH AUDITORIUM, WEST PALM BEACH, FLORIDA

Bill White W. Reggie Parks (Parks used an Abdominal Stretch on White, but he got out of it. White then tossed Parks across the ring and went for the pin.)
Jim Garvin W. Raul Mata (Garvin used The Spinning Toe-Hold on Mata to gain the victory.)
Gordon Nelson DREW Geoff Portz (The Match went to the time limit.)
Jerry Brisco W. Lord Alfred Hayes - C.O.R.
Jack Brisco & Mike Graham & Barry Windham
W.
Mr. Saito & Bobby Jaggers & The Super Destroyer (Windham pinned The Super Destroyer.)
Cowboy Lang W. Little Tokyo (With a Rolling Cradle.)
Nikolai Volkoff W. Bugsy McGraw -DQ. (McGraw was disqualified for throwing Volkoff over the top rope.) (Helmet Match)
Dick Murdoch & Dusty Rhodes W. Don Muraco & Dick Slater (Murdoch pinned Muraco by jumping off the ropes.)

HIGHLIGHTS OF WEST PALM BEACH CARD:

After having a great time at The W.F.I.A. Convention Co-editor Paul Abbinante went home to New York, while I went on to Florida. I had a very good time at this card. Seeing Dick Murdoch and Dusty Rhodes work as a team was very good because they work well together, not to take anything away from their opponents Dick Slater & Don Muraco. During their match Murdoch & Rhodes were Bloody. Seeing Barry Windham was a real treat, because this young athelete showed me he has what it takes to stay in the ring with more experienced wrestlers. Seeing The Midgets in the ring was great, because they work as well as their tall conterparts. For the talent Florida has this was a good card, because each match was even. Hope to come back to West Palm Beach soon and also maybe attend cards in other parts of "The Sunshine State".

The Hangman W. Rene Goulet (By pin after dumping Goulet on the Top Rope, Neck First.)

Andre The Giant W. Hulk Hogan (Hogan's Manager, Freddie Blassie, stood at ringside, during this fierce encounter. Andre pinned Hogan after a Body Slam & Big Splash. A Second ref tolled the three count, because the original ref, was knocked down in this wild action, and could not continue, to do his job. After the pin, Hogan attacked Andre, and hit him, with a foreign object. Andre was then cut Bloody, on his Forehead.)

Bruno Sammartino W. Larry Zbyszko (Steel Cage Match : Bruno won; he spat at Larry, at the finish of the bout, and then walked out of the cage door. Bruno gave Larry a good beating during the bout; by kicking Larry, and banging him into the steel cage, numerous times. Larry had some good moments in this battle, he hit Bruno in the groin, also. When Larry left the cage, and was on the field, Bruno hit him twice. Larry then for some strange reason, appeared to lift Bruno's arm in the air as a gesture of victory. Bruno then pulled his arm, away from Larry; and walked away, back to the dressing room. Larry was cut bloody, on his forehead. Sammartino's arm and shoulder appeared to be injured, and bloody.)

Bob Backlund & Pedro Morales W. Afa (#1) & Sika (#2) The Samoans (1ST - Morales pinned one of the Samoans with a Rolling Cradle.) (2ND - Backlund pinned one of the Samoans, after ob had The Samoan in what appeared to be the start of the Spine-Breaker. Morales then Drop-Kicked The Samoan in the face, The Samoan then fell to the mat, and Backlund scored a pin. In the early part of the second fall, The Samoans' Manager, Lou Albano, was escorted back to the dressing room area. Earlier in this bout, as he stood by the ring, Albano did his share of interfering.)

Pat Patterson W. Tor Kamata -DQ. (The Disqualification took place, when Kamata threw salt into the ref's face, by error; instead of throwing the salt at Patterson.)

The Fabulous Moolah & Beverly Slade W. Kandi Maloy & Peggy Lee (Moolah pinned Lee after a Back Body Drop.)

Tony Atlas W. Ken Patera -C.O.R. (At one point in this exciting match, Atlas lifted Patera over his head, and Body Slammed Patera to the mat. Patera did the same thing then to Atlas; but did not get Atlas up as high. Patera used his Full Nelson on Atlas, but the hold was broken, when they were by the corner- turnbuckle area. Atlas jumped on Patera and appeared to have the sleeper hold applied on Ken, but Patera got out of it. Atlas also tried to pin Ken with a Flying Cross Body Block. But Patera escaped being pinned. Both men then fought right outside the ring, on the field. They then fought on the ring apron, as the ref was counting. Ken then threw Atlas into the ring, just before the ref finished his count. Patera was still on the ring apron. Patera was counted out, outside of the ring. Making Atlas who was thrown into the ring, in time, the victor.)

HIGHLIGHTS OF THE SHEA STADIUM CARD:

First off this writer (Paul Abbinante), would like to say it was good seeing W.W.F. JR. H.C. , Tatsumi Fuginami, and N.W.F. H.C. , Antonio Inoki, do great in their individual matches, against some tough competition.

A.W.A Great, Greg Gagne, as usual was in tip-top shape, scoring a great win. Newcomer to the W.W.F., The Hangman , made his New York City debut, a successful one. What could be said about Andre The Giant against Hulk Hogan, but a titanic struggle, between two of wrestling's super giants.

Bruno Sammartino's war with former friend, Larry Zbyszko, in a steel cage, added another chapter in their struggle between student and teacher. Bruno stilled showed Larry who the better man is.

The Samoans, Managed by Lou Albano, lost their prestigious W.W.F. T.T.C., to W.W.F. H.C., Bob Backlund, and former W.W.F. H.C., Pedro Morales, in a wild affair. The battle between the strongman; Ken Patera & Tony Atlas, was a battle between the survival of the fittest. Atlas in this encounter failed to beat Patera for the W.W.F. Inter-Continental Crown.

All and all The W.W.F. came up with a good card for the fans. I only wish the ring, could have been closer to the stands, so all could get a better view of the action, going on in the ring. The attendance of more than 35,000 spectators, may have set a new national record.
